

Red Dog and Friends

Answers on page 22

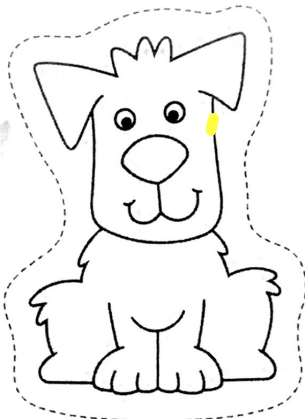

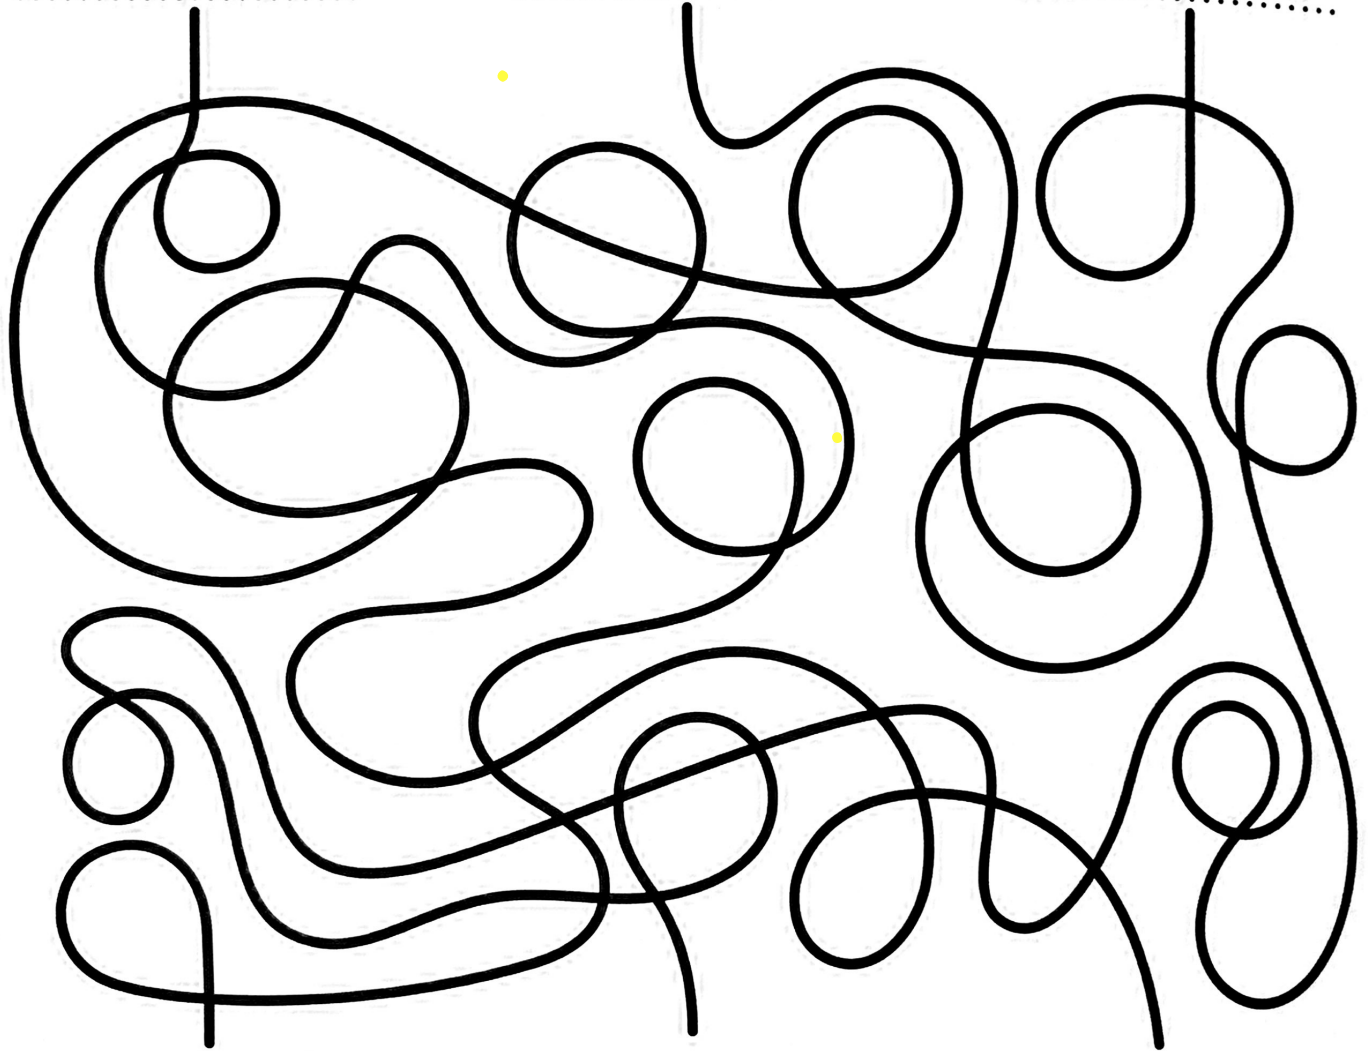

Red Dog is visiting his best friends, Yellow Dog and Blue Dog. They are all doing different things - one of them is asleep in the basket, one is playing with the ball and the other dog is eating the dinner. Find the coloured dog stickers and stick them in the correct spaces then follow the paths to find which dog is doing what. Write the dog's name on the dotted line under each picture.

Crazy Creatures

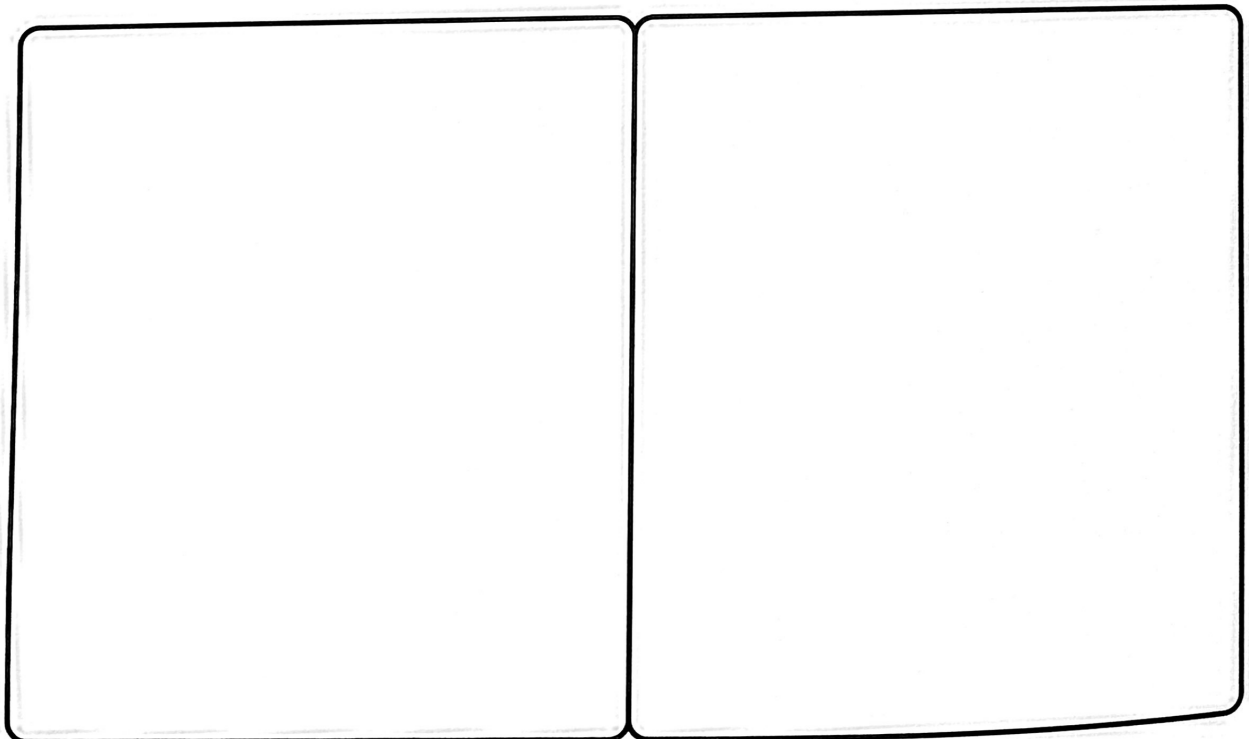

What will your crazy creature look like?

In the spaces below, draw the front half of one animal and the back half of a different animal to create a **Crazy Creature!** We've started the first one to help you. When you've finished your drawings make up silly names and write them on the dotted lines. We've made a monk-odile as an example!

We'd love to see your creations here at Orchard Toys so why not share them with us on our Facebook page: [facebook.com/orchardtoysltd](https://www.facebook.com/orchardtoysltd)
